Laredo Educator Selected as Top Physical Education Teacher

The Colorado Association for Health, Physical Education, Recreation and Dance has selected Laredo Elementary School's Leann Hepburn as the 2011 Colorado Elementary Physical Education Teacher of the Year.

The award recognizes individuals who have demonstrated continuous dedication to the advocacy and enhancement of student learning in physical education in Colorado. Hepburn, who also was inducted into the Colorado Youth Soccer Hall of Fame, has taught physical education at Laredo for 12 years.

"Physical education and my students are dear to my heart," Hepburn said. "What a fantastic thing to be recognized for doing something you love."

Comcast Offers Discounted Internet for Many APS Families

Through the Internet Essentials program offered by Comcast, many Aurora Public Schools families can receive a big discount on broadband internet and a laptop computer.

Internet Essentials is a program designed to provide affordable access to the Internet, a discount-priced computer and computer skills training to low income families. Participating families will receive basic broadband service for \$9.95 per month, the option to purchase a computer for less than \$150 and free access to digital literacy training.

In order to be eligible for the program, households must be located where Comcast offers service, have at least one child receiving free school lunches through the National School Lunch Program and be a new Comcast Internet subscriber.

Interested families should call Comcast at 1-800-266-2278 for more information.
