## Share Your Thoughts: APS Superintendent Search Survey Now Open

### A Message from Board President JulieMarie Shepherd

The Aurora Public Schools Board of Education continues to collect feedback from the Aurora community as we conduct our search for a new superintendent. To ensure that the search process is open, thorough and inclusive, the Board would like you to share your thoughts through a community-wide survey.

The confidential, online survey is available to all APS parents, students, staff and community members. The feedback collected from the surveys will be helpful as the Board of Education and the Colorado Association of School Boards review

applications and interview superintendent candidates. The survey is available at [surveymonkey.com/s/APSSuperintendentSearch](https://surveymonkey.com/s/APSSuperintendentSearch) and will be open from Feb. 21 to March 7.

Selecting the next superintendent is important to all in the APS community to ensure a successful future for our district and our students.
