Accounting Department Soars to 28th Financial Award

The APS Accounting Department is one of the best school district financial teams around. The team's commitment to excellence and transparency resulted in the group's 28th Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada.

The award, which represents the highest honor in governmental accounting and financial reporting, recognizes state and local government staff who go beyond the minimum requirements of generally accepted accounting principles to prepare comprehensive annual financial reports that evidence full transparency and disclosure.

Congratulations to Chief Financial Officer Adrienne Bradshaw and her team for the outstanding work that they do!
