## Bond and Mill Levy Funds Boost Classroom Technology

The bond and mill levy programs approved by Aurora voters in 2008 are funding more than \$20 million in technology improvements throughout the district. Since 2008, APS has tripled the number of computers and technology devices used by students and staff.

The bond-funded technology renewal program provides annual funds to APS schools and sites to ensure that students and staff benefit from the most current technology. Other bond technology projects include network and application upgrades, wireless expansion and a digital Voice-over Internet Protocol telephone network.

The 2008 mill levy includes funds to support innovative instructional technology as well as APS charter school technology. For information about the mill levy, visit [aurorak12.org/mill](http://aurorak12.org/mill).

### By the Numbers

Technology devices ranging from computers to interactive whiteboards enable students to access 21st century learning in the classroom. APS maintains more than 30,000 technology devices:

**15,855 Computers**

**7,377 Netbooks**

**3,272 Projectors/Visualizers**

**1,751 iPads**

**1,358 Interactive white boards**

**1,239 Printers**

## Register Your Child for Kindergarten

APS will register students for kindergarten for the 2013-14 school year from **April 3 to May 31** at the centralized admissions office:

**APS Centralized Admissions**  
**1085 Peoria St.**  
**Aurora, CO 80010**  
**Mon.-Fri., 7:30 a.m.-4 p.m.**

Spring registration allows time for parents to complete the enrollment process at their child's school before summer break. Parents who do not register and enroll their children for kindergarten by May 31 may continue to register after that date but will not be able to complete the enrollment process until after summer break.

Current APS preschool students may enroll directly at their home school. To determine which school your child should attend, use the online address lookup tool at [aurorak12.org/schools/address-lookup-tool](http://aurorak12.org/schools/address-lookup-tool).

Children must be 5 years old on or before Oct. 1, 2013 to start kindergarten on Aug. 14, 2013. For more information about registration, call 303-326-2200 or visit [admissions.aurorak12.org](http://admissions.aurorak12.org).
