

Accelerating Learning for Every Student, Every Day

Register Your Child for Kindergarten

APS will register students for kindergarten for the 2014-15 school year from April 9 to May 30 at the Centralized Admissions office:

APS Centralized Admissions
1085 Peoria St.
Aurora, CO 80010
Mon. - Fri., 7:30 a.m. - 4 p.m.

Spring registration allows time for parents to complete the enrollment process at their child's home school before summer break. Parents who register their children for kindergarten after May 30 may not be able to complete the enrollment process until after summer break.

Current APS preschool students do not need to re-register and may enroll directly at their home school. To determine which school your child should attend, use the online address lookup tool at aurorak12.org/schools/address-lookup-tool.

Children must be 5 years old on or before Oct. 1, 2014 to start kindergarten in August 2014. For more information about registration, call 303-326-2200 or visit admissions.aurorak12.org.

New to APS? Have You Moved? Let Us Know!

Are you new to APS or do you have an address change for your current APS student? Families who are new to APS register their students at the Centralized Admissions Office before visiting their neighborhood or assigned school to enroll and obtain class assignments.

If you have a change of address, visit our office within 60 days of moving so you can continue to receive important information about your student and key district communications. For required information, please visit our website at admissions.aurorak12.org.
