Division of Finance Team Captures 30th Financial Reporting Award

Thirty years. Three decades. Ten thousand nine-hundred and fifty days.

No matter how you slice it, the APS Accounting Department is still on top of their game, earning yet another Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada.

The award, which represents the highest honor in governmental accounting and financial reporting, recognizes state and local government staff who go beyond the minimum requirements of generally accepted accounting principles to prepare comprehensive annual financial reports that evidence full transparency and disclosure.
