Thank You, APS Board of Education

January is School Board Recognition Month! APS is grateful for the numerous sacrifices each APS Board of Education member has made and continues to make to accelerate learning for every APS student, every day.

APS board members go the extra mile for our students with no reservations. They spend their personal time attending meetings; participating in school functions; reviewing reports, agendas and proposals; and making important decisions for the benefit of all APS students.

School board members receive no financial compensation for the countless hours they serve.

Please take a moment to share your gratitude with a board member for giving so selflessly of themselves to serve APS students, parents, staff and community members.

Midterm Graduates Bid APS Adieu

Congratulations to the 30 students who graduated in December from the following high schools: APS Online, Aurora Central, Gateway, Hinkley, Rangeview, Vista PEAK Preparatory, and the Rebound Ombudsman Program.

We salute you, Class of 2014!
