Greek philosopher Heraclitus said, “Change is the only constant in life,” and that has proven to be undeniably true, especially related to technology in the classroom. From chalkboards to interactive white boards, textbooks to tablets and more, APS is proud to continue evolving in what has been dubbed the Digital Revolution.

Creating endless learning and teaching opportunities, FULTON Academy of Excellence recently provided every student and teacher with an iPad for use in the classroom. The initiative aims to engage students in the same ways they learn outside of school and improve their digital literacy skills.

“Students can show their learning in a variety of ways on an iPad and document it to share with teachers, parents and other students. iPads support a wide array of modalities and learning styles,” said FULTON teacher Carol Dallas.

During an all-school assembly, FULTON students’ faces lit up with joy when Principal Jill Lliteras shared the exciting news. They learned how to handle iPads with care, be respectful while operating the devices during instructional time and utilize different apps for assignments.

FULTON fifth-grade student Janet Luna exclaimed, “iPads make learning more fun!”

## Emergency School Closure Information

If Aurora Public Schools closes schools or delays start times, the news will be shared via the following:
- Local television and radio stations
- Automated phone calls to parents and staff
- Facebook and Twitter
- APS website
- APS Emergency Line (303-326-1080)
- APS app

### Weather Conditions

When inclement weather hits Aurora, APS staff members assess conditions beginning just after midnight to determine the impact on operations. If there is a need to close schools or delay the start of the school day, Superintendent Rico Munn and staff would make the decision as early as possible.

### Delayed Start Times

Should APS staff make the decision to delay school, the school day would begin one hour later than normal. APS buses would pick up students one hour later than normal. Staff members are expected to arrive at school as close to their regular start time as is safely possible.

**Please note:** A delayed start does not change regular pick-up times at the end of the school day.
