Enrollment and Capacity

Due to enrollment growth over the last seven years, Aurora Public Schools is experiencing capacity challenges at many of its schools. APS is considering a variety of options to address school overcrowding, projected enrollment growth and academic program needs.

The APS Board of Education is interested in learning community views before adopting strategies for a Facilities Support Plan for future school years. The Board invites parents, students, staff and community members to share their views at the meetings listed below:

- **Tuesday, Oct. 6, 6 p.m.**, Dr. Ed & Patricia Lord Boardroom, Educational Services Center 4, 1085 Peoria St.
- **Tuesday, Oct. 20, 6 p.m.**, APS Professional Learning and Conference Center, 15771 E. 1st Ave.
